Dear Administrator:

Congratulations on successfully completing the advisory standards survey conducted at your facility on 04/30/2015. I am pleased to enclose a report of the findings.

As you know, advisory standards represent ways that facilities can strive to go beyond the minimum requirements to provide their residents with excellent care. We appreciate your efforts to provide your residents with a high quality environment, and we hope our recognition of this effort is helpful to you in continuing to achieve a high standard of care in your facility.

We have revised the advisory survey form and reporting process to enable us to provide better service and increase the recognition of your efforts. Your facility will be on the Department of Health and Senior Services web site as having passed an advisory survey. Our web address is: [www.state.nj.us/health](http://www.state.nj.us/health).

Due to changes which are periodically made to the advisory standards form, please do not use photocopies of an old form. Please request a current form by calling the Office of Assessment and Survey at (609) 633-8990.

If there are any further questions, please feel free to contact Ms. Joanne Maxwell at (609) 633-9693.

Sincerely,

A handwritten signature in blue ink that reads "Barbara Goldman".

Barbara Goldman, RN, JD
